Dolly Matsuoka, Minneapolis, Minn. . .Up to now things at the office has been at a "lag", but as soon as Fall comes we will really be busy. By the way, did you know we are enlarging our office and adding a couple ofnew staff members. It sure is nice to see the Federation growing, even if it means more work. My vacation spent at home was really a treat. James and Amy's little boy is getting so big and Janice is really growing up. I didn't do anything different, but you know the outdoor and farm life is a good change from just sitting in an office doing secretarial work.
